

# ABOUT

GyZmo is the stage name of Iggy B., a Costa Rican DJ and music producer who has been part of the Drum n Bass scene since 1998. As a child, he received formal education in music composition, which sparked his musical journey. He has been one of the pioneers of the Drum n Bass scene in Costa Rica, and one of the founders of the legendary CR Junglist Crew.

# MUSIC & IMPACT

Since the early 2000s, GyZmo has released more than 50 independent singles, and nearly 10 EPs. In 2023, he released his first full-length album, "SE HABLA ESPAÑOL," which features more than 15 Bass Music tracks, especially Drum n Bass, all with vocals or samples 100% in Spanish. GyZmo has represented Costa Rica in festivals such as the Bass Alliance 2012, held in Guatemala, InBassion 2018, held in Honduras, and has performed at important celebrations and festivals in his native Costa Rica, such as Somos Libres 2, Bamboo Bass Festival Jaco Beach and Chepe Joven 2022.

As a pioneer of the Drum n Bass scene in Costa Rica, GyZmo has contributed immensely to the growth

and development of the genre in his country and Latin America. He has been an influential figure in the LATAM Bass Music scene. In 2010, GyZmo founded tamborybajo.org, a Latin American Bass Music portal, 100% dedicated to the Spanish-speaking community. Over the years, tamborybajo.org has become not only a collective of artists but also the most important digital space for Bass Music in Latin America.

GyZmo's music has received airtime on national radio stations such as OK!, Beatz FM, 979, among others, and some of his "originals" have been welcomed by UK radio stations, such as Spark FM.

GyZmo's commitment to his roots and the underground Bass Music scene is evident in his career. He has remained true to his passion, even as some of the pioneers of the Costa Rican Bass Music Scene disappeared or migrated to more commercial music genres.

Loyal to his roots, he continues to produce and mix underground Bass Music (mostly Drum and Bass and Reggae), putting his more than 20 years of experience to use.

**BASS**ically, GyZmo is an influential and respected figure in the Bass Music scene in Latin America. He continues to inspire a new generation of Bass Music artists and producers through his music.
